

Terms and conditions

- Only participants with event issued wristbands are permitted on the course.
- Always be courteous to other participants, staff, and volunteers. Participants who choose not to abide by this may be asked to leave the event.
- Remember the Obstacles are INFLATABLE, so please treat them with respect: this means no sharp objects such as shoes with spikes or cleats, safety pins, keys and any other miscellaneous sharp objects that may cause damage to the inflatable obstacles.
- ObstaSplash is NOT a jumping castle so please refrain from trying to do any tricks (Flips etc).
- Some areas are out of bounds to competitors and spectators, these areas are marked with red flags. For your safety, and the safety of our staff and volunteers, DO NOT ENTER these restricted areas.
- Event Staff can be easily identified by their Pink Shirts and Volunteers by their Yellow safety vest.
- ObstaSplash holds no responsibility for lost or stolen possessions.
- Head cameras and Go Pros are welcome as long as they do not pose a safety risk to the participant, such as choking or strangulation.
- ObstaSplash is an Alcohol-free event (Anyone found under the influence of Drugs or Alcohol will be asked to leave).
- Some obstacles, due to their construction, can be adversely affected by the weather. Affected obstacles will be evacuated and deflated until it is safe.
- There is no minimum age restriction, however each participant must be taller than 130cm in order to ensure the safety of our participants.
- When less than 18 years of age, the participant must be supervised by an adult (parent/guardian). Where you are responsible for such participant you agree to be bound by these conditions on their behalf and you will directly supervise them at all times.

Some of the activities, in natural and/or manufactured environments, include but are not limited to runs, military style obstacles, going through pipes, flying foxes, traversing cargo nets, climbing walls, swimming in cold water, throwing, carrying or getting hit with heavy objects, encountering dusty or gas-filled environments and traversing muddy areas. The event is a hazardous activity which can present both foreseeable and unforeseeable physical challenges.

The participants acknowledge that the Event is an extreme test of their (and/or my participating minor child/ward's) physical limits that carries with it inherent risks of injury (physical and/or mental). Inherent risks are risks that cannot be eliminated completely (without changing the challenging nature of the Event) regardless of the care and precautions taken by ObstaSplash and the other Released Parties. I understand that the Event is extremely strenuous, and the accompanying risks and dangers are generally present, which may be magnified under extreme or stressful conditions.

The participant understands and acknowledges that the inherent risks include, but are not limited to: 1) falls, tripping, uncontrolled landings, contact or collision with persons or objects (e.g., collision or contact with spectators, course personnel, other participants, motor vehicles, machinery, natural or man-made fixed objects or obstacles); 2) encounter with natural and man-made obstacles with water, road and surface hazards, close proximity and/or contact with thick smoke, dust, gas and/or open flames, barbed wire, pipes, and electric shocks; 3) equipment related hazards (e.g., unexpected equipment failure, imperfect course conditions); 4) weather-related hazards (e.g., extreme heat, extreme cold, humidity, ice, rain, fog); 5) inadequate first aid and/or emergency measures; 6) judgment- and/or behaviour-related problems (e.g., erratic or inappropriate co-participant or spectator behaviour, errors in judgment by personnel working the event); and 7) natural hazards (e.g., uneven terrain, rock falls, lightning strikes, earthquakes, wildlife attacks, contact with poisonous plants, snakes, spiders, marine life and/or ticks). Some water obstacles may contain water that has not been tested for chemicals, disease or other contamination.
